

The CWTS Leiden Ranking

The CWTS Leiden Ranking offers a sophisticated set of bibliometric indicators that provide statistics on the scientific impact of universities and on universities' involvement in scientific collaboration.

Field: Biomedical and health sciences

Time periode: 2011-2014

Region: Europe

P:

Number of publications (2011-2014). Collaborative publications are counted fractionally.

P (top 10%):

Number of the top 10% publications: Number of publications of a university belonging to the top 10% of their field.

PP(top 10%):

Proportion of top 10% publications: Proportion of the publications of a university belonging to the top 10% of their field.
