

## Bureau van Dijk

Bureau van Dijk specialises in private company information offering databases of company information and business intelligence for individual countries, regions and the world. The below ranking is based on all active limited and foreign companies with at least some recent financial information attached and manufacture of basic pharmaceutical products and pharmaceutical preparations or research and experimental development on biotechnology as primary industry code (Nace Rev.2), as registered in the Orbis company database (Bureau van Dijk).

| Country | Number of foreign owned companies (Orbis) | Number of domestic owned companies (Orbis) | Population 2015 (Eurostat) | Number of foreign owned companies per million inhabitants | Number of domestic owned companies per million inhabitants | Rank by number of foreign owned companies per million inhabitants |
